# Easter Reading Comprehension

Directions: Read the paragraph to your child 2-3 times and ask them the following questions to see if they understand the passage.

**It's Easter morning! Kyle and Melissa race down the stairs to see if they could see any eggs or baskets left from the Easter bunny. They couldn't find any inside, so the whole family went outside to check. Melissa walked over to their playground and found her basket! Kyle ran to big tree in the yard, and sure enough, there was his basket. Now, it was time to see if there were any eggs hidden. Kyle and his mom walked all around the house and he found 10 eggs. Melissa and her dad found 8 eggs. The whole family had a great Easter together!**
